HOW TO SPA

Reservations & Cancellations

Please book spa treatments at least 12 hours in advance. Whilst walk-in appointments are accepted, they are also subject to availability.

Should you wish to cancel a 'Spa Package' clients are requested to provide 24 hours' notice otherwise 100% of the appointment cost will be charged to your room.

For all other treatments clients are requested to provide 12 hours' notice otherwise 50% of the appointment cost will be charged to your room. If you do not arrive for your appointment we will charge the full treatment price.

Before your treatment

We ask that you allow enough time for your experience and to arrive 15 minutes prior to your appointment so that we can offer you a refreshment and the opportunity to relax before your treatment.

We will ask you to complete a consultation form that will include questions regarding your current medical status. Please note that treatments often stimulate an increased blood flow which may be inadvisable for those with certain medical conditions.

We want to ensure that your chosen treatment is suitable for you and that you get the most from your experience with us.

Attire

Our recommendation is to be comfortable. Less is best to experience the full benefit of each treatment. Robes, disposable underwear and slippers are available at the Spa or please feel free to come dressed in room robes.

Personal Belongings

We recommend that you leave all valuables in your room safe as we cannot take any responsibility for loss or damage to personal belongings. We request that you do not use your mobile phone whilst in the Spa.

Payment & Gratuities

Payments are to be made at the hotel reception and we accept cash and all major credit cards. For your convenience 16% VAT (St Vincent and the Grenadines Value Added Tax) will be added automatically to your bill. Gratuities are happily accepted at your discretion and can be made directly to your therapist or added to your bill.
